THANK YOU... THANK YOU... THANK YOU!

The hospitality industry has been hit tremendously hard during this pandemic, with most establishments making major operational adjustments just to survive and too many places closing their doors for good... and it's not over yet. However, we understand that the difficult times affect everyone, so **the Pub has committed to keep the menu pricing the same as it was before COVID-19.** We are hoping to weather the storm but could not do it without YOU, our loyal customers. On behalf of the entire Pub staff we sincerely appreciate your patronage and will strive to always do our best.
